50+Group review (part 1) - Over the last 12 months, we have had 20 events (down on previous years due to unforeseen circumstances) made up of meetings and outings, which included a religious themed visit. All the visits for the group include the obligatory lunch in a suitable hostelry; invariably wine tasting techniques were put to the test.

The first outing for the 2016 Autumn Programme was on local History with an enlightening visit to All Saints Friary at Barton, for an organised tour of this Historic local landmark. The visit generated lots of interesting anecdotes as quite a number of the members were parishioners at All Saints in the good old days, with weddings and baptisms being remembered, it was also very enlightening to hear the tales of All Saints during the war years. The visit included lunch at the highly recommended (they always come highly recommended) "Boat House Restaurant" Sale water Park, Following Lunch it was back home for a well-deserved reflection from the comforts of the armchair.

The second visit of the programme involved having a good lunch at a new Restaurant for the group this being the Jolly Thresher at Lymm. A number of members took the opportunity to hike around Lymm Dam before Lunch to improve their appetite. The last trip out, for the autumn session, was a Christmas shopping trip to Oswaldtwistle Mill which included Lunch and some entertainment
